

The FCC should not implement any proposal that would lessen
Indiana's Telephone Privacy law protections.

How Indiana's Telephone Privacy law has improved my familys time at home by
not answering unwanted unsolicited annoying phone calls.

The Indiana telephone privacy law has been very welcomed and very effective. I
have a telephone for my use and not for the use of commercial enterprises who
wish to sell their wares.

All citizens should have the right to turn off thier telephones to unwanted
unsolicited calls.

Thank you for allowing me to express my opinion.

week, now I only receive one").
--Any of your personal views about
the importance of Indiana's law.
